

Workman Killed When Wall Of Sewer Trench Caves In At South San Francisco

One workman was killed and another injured when a portion of a sewer trench which they were digging caved in on them here at 9 o'clock Wednesday morning.

Gabriel Orrelli, who lived at 1935 26th avenue, Oakland, was the man hurt fatally. When laborers excavated him from the mass of earth and stones under which he was buried by the sudden avalanche, Orrelli was lifeless. His neck was broken.

Jess Goyez, whose home is at 2010 27th avenue, Oakland, was injured. He was working in the sewer ditch near his friend, Orrelli, when the accident occurred. He, too, was partly buried by the debris caused when the seven-foot

wall of the trench caved in. Rescuers took him to the South San Francisco Hospital, where it was found that he was not seriously injured.

The scene of the accident was near the Twelve Mile House on Mission road, inside the city limits of South San Francisco. The excavation is part of a sewer extension plan being carried on by the city. A coroner's inquest was held yesterday afternoon. S. Nieri & Company took charge of the body. Orrelli was about 35 years of age. He is survived by a wife and three children. He was of Portuguese ancestry and was foreman on the job on which he lost his life.

PHYSICIANS ARE BLAMED IN LOSS OF USE OF LEG

Two South San Francisco physicians and the South San Francisco General Hospital are named as defendants in a damage suit for \$27,500 brought against them by Margaret E. Donnelly, in which she charges that careless and negligent treatment of injuries sustained in an automobile accident resulted in the loss for life of the use of one leg and one arm.

The two physicians named are Drs. Frank Dolley and M. D. Lesard, both well known in the northern part of San Mateo county.

Failure to find a fracture of her right leg and dislocation of her right hip, with the result that the leg is now an inch and three-quarters shorter than prior to the accident, is laid to the physicians by the plaintiff, while it is also charged that the physicians caused the plaintiff's left arm to be so suspended above her body and head, in a nearly verticle position, from July 26 to September 1, last year, that it caused paralysis and permanent stiffening of the tendons of her arm.

Both the use of her right leg and that of her left arm, the plaintiff charges, has been permanently lost by the result of this alleged carelessness and negligence on the part of the physicians and hospital attendants.

ANTI-FIREWORKS LAW GETS DEALER INTO COUNTY JAIL

Convicted after a court hearing that bristled with personalities, George F. Samwell, head of the San Francisco Fireworks Co. of Colma, was on Wednesday afternoon sentenced by Justice of the Peace Edward Farrell of South San Francisco to pay \$50 fine and serve a term of 30 days in the county jail here for violation of the county ordinance banning the sale of fireworks.

The court hearing was one of constant confusion and bickering, during which respective counsel and witnesses were at the point of blows on more than one occasion.

The sentence was the maximum under the law. Judge Farrell indicating that the demeanor of the defendant in court had much to do with the severity of sentence. Samwell, through his San Francisco counsel, immediately filed notice of appeal from the judgment to the superior court, and was granted a stay of execution pending the outcome of this appeal.

The fireworks dealer had been convicted by the judge after pleading not guilty to the charge preferred against him by Sheriff T. C. McGovern. He had admitted on the stand that he had sold fireworks in violation of the law, giving as his excuse the purported fact that "everybody else sold too."

Charges by counsel for Samwell that "this case is a play of politics" resulted in a near altercation between the attorney and District Attorney Franklin Swart, who prosecuted the case. Sheriff McGovern, also in court, was twice near personal combat with Samwell.

Samwell, according to testimony given by Sheriff McGovern and Fire Marshal Mark E. Ryan of this city, openly defied the county authorities in their attempts to check the sale of fireworks as a means of preventing fires. McGovern and Ryan testified as to making purchases of fireworks in Samwell's Colma place of business and thereafter ordering him to stop sale and comply with the law. The man, the witnesses declared, agreed to stop, but again opened up his business on a retail and wholesale scale immediately after McGovern and Ryan had left town. The following day the arrest was made by Sheriff McGovern.

Samwell told the court that he had lost \$15,000 by his inability to sell.

Hearing on Samwell's appeal from judgment will probably not be heard before next month, this being the period of court vacation in the superior court.

GARAGE MAN OF THIS CITY WEDS

In St. Boniface's Church in San Francisco on Monday morning at 9 o'clock the marriage of Clemens E. Lautze, garage man of this city, and Miss Constance Aggeler, of 2401 Sacramento street, San Francisco, was solemnized.

Following a wedding breakfast at the Sierra Club on Buchanan street the newly married couple left for Southern California, where they will spend a honeymoon of two weeks.

The groom is associated with his brother in the Ford agency here at the Depot Garage. The bride formerly taught in the grammar grades in this city and has a host of friends in this section. They will make their home in San Francisco.

YEP! CIRCUS WAS HERE, WITH LOTS OF ANIMALS, TOO

The circus came and went last week, and while most of the city was unaware of the event 49 children paid a penny each to see the show. The following account of the three-tinged affair has come to hand:

"There was a circus given by John Curti, Mario Camoirano and David Ghiorre. The attendance was 49 children not over the age of 12. The admission was 1 penny. There was dancing by a few girls and there were many animals shown, demonstrated by John Curti. The animals were rabbits, frogs, chickens, polywogs, cats, etc., and they were called wild. The circus was given Monday. After the circus there were

POLITICAL FIGHT LOOMS IN 3 DISTRICTS

Supervisor Hickey Opposed
By John J. Fahey, of Daly
City, in August
Primaries

Prospects for several political contests are indicated in the complete list of nominations for the August 26 primary registered with County Clerk Elizabeth M. Kneese at Redwood City.

In the first supervisorial township, Thomas L. Hickey of this city, supervisor for many years, is opposed by John J. Fahey, Daly City resident. Fahey lost to Hickey four years ago.

John MacBain, supervisor from the third district, will be opposed by Harry G. Walsh of Menlo Park and E. M. Dearborn of Redwood City.

In the fourth township, Manuel Francis, incumbent, is opposed by Charles A. Cavalli, Half Moon Bay merchant.

The complete list of names on nomination follows:

Supervisors
Third Township—Edward Dearborn, Harry Walsh, John MacBain.
Fourth Township—Manuel Francis, Charles Cavalli.

First Township—Thomas L. Hickey, J. J. Fahey.
Chief Justice Supreme Court (Short Term)
Louis J. Meyers.
Associate Justice Supreme Court (Short Term)
John W. Schenk.

Member Assembly 42nd District
Chester A. Jones, Frank L. Edwards.
Associate Justice District Court of Appeals (Short Term)
Benjamin K. Knight.
Associate Justice District Court of Appeals (Full Term)
George A. Sturdevant.

Representative in Congress 8th District
Arthur Miller Clark.
State Senator 11th District
Fletcher Cutler, N. B. Johnson.
Republican county committee nomination papers have been filed as follows:

First Township
A. J. Eichelback, Dr. J. C. McGovern and J. W. Coleberd.
H. H. Smith, Julius Twisten and David R. Campbell.
Second Township
Horace W. Amphlett, J. E. McCurdy, C. J. Lindgren, Mrs. Catherine A. Bain and Francis T. Rapp.

Third Township
John MacBain, P. P. Chamberlain, Mrs. Elizabeth M. Kneese, E. H. Werder and James G. Mason.
Fourth Township
H. E. Griffiths.
Democratic county committee nominees are:

First Township
James J. Jennings, Henry Baker, Paul Perussini, John N. Blanchard, Joseph Quinlan, Daniel McSweeney and Edward J. Ringue.
Third Township
Frank P. Roach, C. Stilleston, J. V. Swift, C. L. Dimmitt, Albert Mansfield and J. F. Ford.

LOCAL GIRL IS MARRIED SUNDAY TO SANTA ROSA

Emily Sanl, a popular young woman of this city and the daughter of Mr. and Mrs. A. Sanl, of Baden avenue, became the bride of James Bertoli, of Santa Rosa, at a pretty wedding ceremony Sunday morning at 11 o'clock. The marriage rites were read by the Reverend Father James Moran in All Souls Church.

Following the wedding a dinner was served in the Sanl home at which about 75 relatives and friends of the young couple were present.

The groom was attended by Adolph Sanl, brother of the bride, while Miss Josephine Bianchi was bridesmaid.

The young couple left Sunday evening for Los Angeles on their wedding trip.

Many things raffled including a dog."

CAR TRAFFIC TO S.F. WILL NOT JUSTIFY INCREASE AT PRESENT, TRUSTEES TOLD

Through Service Not Warranted
Under Present Conditions, Claim;
Other City Business Taken Up

With but three of the five members of the city board of trustees present and City Clerk Daniel McSweeney absent on his vacation a short session of city business was held on Monday night in the council rooms in the city hall.

Charles N. Black, of the United Railways Company, replying to the request of the city trustees through the city attorney, wrote that travel from South San Francisco via the electric cars did not warrant the installation of through car service. He pointed out that terminal facilities in San Francisco did not permit of such an innovation at this time.

City Attorney Davis advised that the matter of through service from Fifth and Market streets, San Francisco, he taken up with the Railroad Commission.

Manufacturers' Report
Joseph G. Walker, secretary of the Manufacturers' Association, reported that a committee of that body had waited on Market Street Railways officials and had been told much the same thing, namely, that traffic conditions did not warrant through service at this time. He promised the support of his organization in whatever steps the board may see fit to take.

Walker said that the Market Street Railways officials had requested temporary assistance in handling traffic from here by sending its cemetery cars through to Leola street in the morning, during the hours of peak traffic when the factories are closing for the day.

Want Allevs Paved.
Complaining against the conditions existing in practically all of the alleys in South San Francisco, the Manufacturers' Association requested by letter that the trustees take steps to see that each alley was completely paved before another was ripped up. City Engineer Kneese reported that the contractor had sublet the job of paving the alleys to various other companies and urged the board to demand a letter to him urging action in paving.

The clerk was directed to prepare such a letter.

A request by the chamber of commerce for action on the ordinance regulating billboards and the scaling of posters in various parts of the city was held over for the executive session of the trustees slated for next Saturday evening at 7 o'clock.

Seek Sidewalks
Two property owners on Oak avenue, Mrs. Alice McGrath and Mrs. Frank Weiss requested the installation of streets and sidewalks in that section. It was determined that these property owners were in the minority as to total number of front footage of property and the request was ordered filed.

A notification from the Adjutant General of the State of California outlining Defense Test Day ceremonies, set for September 12 in honor of the opening engagement of United States forces at St. Mihiel, was ordered filed.

An application for the setting of power poles on California and Maple streets by the Pacific Gas & Electric Company was ratified by the board.

Several applications for soft drink and pool room licenses were granted.

Health Report
The report of Dr. T. C. Dock, city health commissioner, for the month of June, was read and accepted. It included listing of several cases of typhoid and chicken pox early in the month, their quarantine and subsequent fumigation; inspection of hotel and restaurant properties and corrective measures ordered; classification of city water supply and its procurement as perfectly safe by the Department of Sanitary Engineering of the state.

Among the communications received was one from City Attorney John F. Davis, requesting an advance in salary to \$175. The letter pointed out that new duties contingent with the installation of accounting systems in several departments of the city administration made the work of that official a little more arduous than formerly. The request was granted and the raise ordered.

TWO SEWER RESOLUTIONS ARE PASSED

Two resolutions were passed pertaining to sewers in the Industrial Zone at the meeting of the city board of trustees on Monday night.

The first, a plan of the San Bruno and Butler avenue sewer as filed by City Engineer Kneese, was passed.

A second, calling for bids for the construction of sewers in that locality, was also voted upon favorably.

CIVIC CENTER TO GET TENNIS COURTS

Ambrose McSweeney, member of the park commission, will superintend the installation of two new tennis courts in the Civic Center. He was directed in the meeting of the city trustees on Monday

night to oversee the work which was planned by the commission. The plan will include a double court in a sector of the Civic Center facing on Miller avenue that is well protected from the wind.

ORANGE AVE. HEARING DUE IN AUGUST

City Attorney John F. Davis at a meeting of the city trustees Monday night, reported that the matter of the Orange avenue extension would be brought to a hearing of the railroad commission some time in August. The calendar of that organization is so congested that a hearing during the current month is impossible. It was reported by City Engineer Kneese that the road has been staked.

Mayor McNellis reported that an investigation of sidewalk conditions on Swift avenue had been made and that no action would be taken until the fall rains started. At that time it is proposed to roll the walks thoroughly and to deposit several loads of gravel on them. The walks are passable at present.

Laundry Licenses
McNellis also introduced the question of the reduction of license fees for laundries operating in South San Francisco. The fee is now \$250 per year. It is requested that it be lowered to comply with other licenses of \$12 per year. The matter was deemed

of such import as to warrant its being laid over until all members of the board are present.

In order to facilitate the purchase of equipment for the police department it was suggested that provision be made for the retention of a certain percentage of police court fines in a special police fund. City Attorney Davis advised that this was being done in several other cities in this section. The proposal is made at this time. It was developed, to secure funds for the purchase of high speed equipment with which to catch speeders who are now able to elude local police officers. The city attorney was ordered to frame a resolution dealing with the matter.

City Engineer Kneese reported that the broken sewer line near the Fontana Food Products Company will be repaired by that concern when plans are provided by his department.

Boys To Be Warned
City Marshal Belloni was requested by the board to "read the riot act" to mischievous youngsters in the vicinity of Magnolia

MAN KILLED AS CAR HITS POLE ON BAYSHORE

Two Companions Treated
at South S. F. Hospital
Following Accident on
Saturday Morning

One man was killed and a man and woman slightly injured in an automobile crash on the Bayshore highway near this city at 11:45 a. m. last Saturday.

The dead:
Albert Allen, aged 35, Windsor Hotel, San Francisco, fractured skull and internal injuries.

The injured:
Steve Morgan, 259 O'Farrell street, San Francisco, minor cuts and bruises.
Mrs. Morgan, same address, minor injuries.

Another man, the fourth occupant of the car, disappeared before authorities arrived at the scene.

The crash occurred when the steering mechanism of the Cadillac car driven by Morgan gave way while the car was speeding toward San Francisco along the Bayshore drive near the Sierra Point house, about a mile from South San Francisco, according to J. R. Williams of San Francisco, who witnessed the accident. Williams states that he was following the Morgan car when he noticed the front wheels begin to wobble. A moment later the great machine veered to the left off the highway, turned over three times, and brought up against a telephone pole. The force of the blow broke the pole in two places. It is said:

Mr. and Mrs. Morgan, who were riding in the front seat, were thrown clear of the car and escaped. Allen's companion in the back seat was also thrown from the machine and disappeared. Allen was crushed beneath the wrecked machine, and died a moment after being extricated by Williams and other passing motorists.

His body was taken to the Olivet cemetery on Monday afternoon at 2 o'clock. The funeral was held from the Nieri parlors.

Mr. and Mrs. Morgan were taken to the South San Francisco Hospital for treatment.

They were discharged from the hospital on Tuesday morning and accompanied for their home in San Francisco.

The verdict of the coroner's inquest conducted by Dr. W. A. Brooke on Saturday evening at the funeral parlors of S. Nieri & Company, was that death was caused by a fractured skull and internal injuries received in an automobile accident.

Allen was buried in the Mt. Olivet cemetery on Monday afternoon at 2 o'clock. The funeral was held from the Nieri parlors.

CHRISTENING RITES FOLLOWED BY DINNER

Mr. and Mrs. F. Freitas were hosts at a dinner in honor of their baby son following his christening in All Souls Church at 4:30 p. m. on Sunday.

The guests included Mrs. Verdones, Mrs. Maderes, Mr. and Mrs. Freitas, brother and sister-in-law of Mr. Freitas, Mr. and Mrs. Genevose and daughter, Frank Santos, Mr. and Mrs. F. Joseph, Mr. and Mrs. T. Sullivan, Julio and Isabella Antente, James Francis and Miss Helen Joseph.

and Miller avenues who are reported by B. J. Rodondi, local realtor residing in that district, to be destroying trees planted on those streets by the city. Rodondi pointed out that the police had been active in the protecting property in that district but that there were so many youngsters playing in that region that the task was an enormous one. Belloni was advised to take whatever action he deemed necessary to curb this mischief making.

Extension of the sewer system to include seven lots in the newly opened Regli tract at the north end of Grand avenue was ordered by the trustees upon advice of City Engineer Kneese. Kneese pointed out that contractors were now working in the city, that a right of way behind the lots could be secured and that the cost now would be very small.

Lively Bidding Marks The Sale of \$20,000 Worth of School Bonds

Spirited bidding on the sale of \$20,000 worth of Burlingame school bonds, with Blyth, Witter & Co. of San Francisco the successful bidders, together with consideration of plans looking toward a bond issue election for the proposed San Mateo-Half Moon Bay tunnel, and acceptance of plans and specifications for new county road work, featured the regular meeting of the San Mateo county supervisors Monday morning. Various other matters of a lesser importance likewise occupied the attention of the board.

With an offer of \$875 as premium, Blyth, Witter & Co. were awarded the \$20,000 Burlingame school bonds at par value, 5 per cent bonds, interest payable semi-annually, with accrued interest to date of delivery. The bonds will mature commencing July 1, 1929, ending July 1, 1938.

Other bidders seeking the Burlingame bonds before the supervisors, with the amount of premium offered were as follows: Bond and Goodwin & Tucker, \$428; Schwabacher & Co., \$450.53; E. H. Rollins & Sons, \$513; Freeman Smith & Camp, \$583; Weed & Co., \$309; Pierce, Peir & Co., \$555, and the Anglo London Paris Company, \$376.

County Clerk Elizabeth M. Kneese was instructed to return checks to the unsuccessful bidders.

Tunnel Project
Following the filing of a report of the Exchange Club of San Mateo and Burlingame, containing an outline of the proposed plans for construction of a tunnel from San Mateo to Half Moon Bay, the supervisors voted that a committee of their members, together with County Engineer George A. Kneese, be appointed to meet with representatives of the Exchange Club and other civic organizations at a date to be set in the near future, for the purpose of considering the proposed bond issue of \$2,051,200 suggested to carry out the tunnel project.

Supervisor Thomas Hickey declared the matter one of interest and value to the entire county and expressed the belief that an opportunity should be given for the people to vote on the bond issue. Supervisor John MacBain expressed the opinion that the idea is good "if the money is obtainable."

O. K. Road Plans
Plans and specifications for the improvement of Mission road, from the westerly line of the city of

South San Francisco to the junction of Grand avenue extension at the limit of the city of San Francisco, were submitted by County Engineer Kneese and accepted by the board, which authorized County Clerk Elizabeth M. Kneese to advertise for bids for the improvement, which bids will be opened at the meeting of the board August 11.

Secretary Phelps of the South San Francisco chamber of commerce appeared before the board and urged its support of various road work now under consideration, suggesting that it map out its endorsements and plans in order to submit the same at the meeting to be held by the supervisors in the near future with the committee of nine appointed by Governor Richardson to investigate road projects throughout the state. He particularly urged the board's endorsement and appeal to the committee for the carrying out of the Bay Shore highway plans. The matter was continued for two weeks.

New Fire Wardens
August Zanone of La Honda having resigned his position of fire warden, the board named his brother, Matt Zanone, to succeed him as a full-time employee at a salary of \$5 per day. W. Stough was appointed fire warden to look after Tunitas Glenn canyon on week-ends, at a salary of \$5 per week.

County Purchasing Agent Ernest Werder was authorized to purchase a siren for the fire warden's automobile and to purchase six buckets to be used as equipment for the same. Werder was also authorized by the board to purchase a tractor from the third road district for the use of the county.

Hearing Postponed
Hearing in the incorporation proceedings of Colma was again continued for a period of two weeks by agreement.

Appointment of election officers for the primary election in August were ratified by the supervisors after submission by County Clerk Kneese.

W. H. Marsh, head of the state highway commission, reported that county traffic officers for San Mateo county were responsible for collection of \$1,341.50 in fines between April 1 and June 1.

A request of the Half Moon Bay fire district for funds was referred to County Auditor J. J. Shields.

ELEVEN MERCHANTS AGREE TO CLOSE SHOP ON SUNDAY

Plants Promise to Stop Sale
of Foodstuffs by Their
Employees

Eleven grocers and butchers have signed a new petition to close their places of business on Sunday. It was announced at a meeting of the Merchants' Association last night at the City Hall. The agreement to close will be as effective when all of the merchants affected have signed it. Each signer is bound to observe Sunday closing or pay a penalty of \$50, that sum to be divided among the other signers. It was predicted last night that all of the grocers and butchers will have signed within the week and that Sunday closing will become an actuality very soon.

Those who have signed to close are: Camoirano & Firenze, Bertuccielli & Mairani, H. A. Cavassa, A. C. Buehler, M. A. Delemos, Vincenzini Brothers, Danny Xecrocamos, Curis Brothers, Joe Gustini, Charles Bollazzi, F. Giffra, A. Giorgi.

Letters were received from three plants in the Industrial Zone replying to protests lodged by the association against the practice of men in the plants getting commodities at cost and disposing of them to their friends. The plants asked that these irregularities be reported to them and promised to punish the men doing this, either by discharging or by fining them. The next regular meeting of the association is slated for Wednesday, July 30.

MAY CONSTRUCT NEW LAUNDRY IN THIS CITY

San Francisco Laundry Establishes Agency at 12 Grand Avenue

With the opening of the offices of the New San Francisco Laundry at 12 Grand avenue and the appointment of D. A. Smith as local agent comes the announcement that should business warrant a new laundry will be constructed in this city in the not far future.

Smith, who was formerly connected with the Superior Steam Laundry, is building up a patronage for the New San Francisco Laundry in this territory, and he reports that prospects for a branch of that business here are bright.

The New San Francisco Laundry is located at 2544 Greenwich street, in San Francisco, its manager, P. Santucci, has had 30 years' experience in the laundry game and has already built up a big business in San Francisco and other peninsula cities.

BOY VICTIM OF GUN IN PLAYMATE'S HANDS

Another gun "that wasn't Tuesday."

Peter Farrero, 730 Baden avenue, and Frank Casellini, South San Francisco boys, were playing with a .22 rifle. Young Farrero had the gun. It was discharged accidentally and the shot entered the arm of Casellini. The latter was taken to the South San Francisco Hospital where it was said his wound was not serious.

INDUSTRIAL ZONE NEWS

WESTERN MEAT PICNIC COMES NEXT SUNDAY

8th Annual Event To Be Held At Woodside Park

Everything is in readiness for the eighth annual picnic of the Western Meat Company, slated for Woodside Park on next Sunday, July 27, according to the committee of the Welfare Club, in charge of arrangements.

Free automobile transportation is to be furnished as follows: Leave South City plant at 8 a. m.; leave 6th and Market streets, San Francisco, 8:30; leave Oakland Meat and Packing Company plant, Emeryville, 8 a. m.

The complete program for the day is as follows:

1. P. m. sharp—A. Tognetti (chairman), J. O. Snyder (starter), Chas. King (announcer), John Fink, William Watt, H. H. Raddatz, Wm. Nichols, E. Stollard, Jr., A. Welte.

Judges—Wm. Watt, R. B. Dow, A. Welte.

First Event—Baseball. Five innings. Indoor baseball. Western Meat Products vs. Virden Packing Company. Prize: 2 pounds of ham.

Second Event—Exhibition boxing. Prize: one Mayrose ham to winner of each bout. Two four-round bouts. Middleweights: Ernest Mirate vs. Gus Smith. Heavyweights: A. Amann vs. Phil Paracini. Dr. Levinson, referee.

Third Event—Cracker eating contest for boys under 14. Prize: 18 pound can of Cracker.

Fourth Event—Balloon race for girls. Prize, 2 pound square Mayrose butter.

Fifth Event—Girls' race, 50-yard dash, 14-18 years. Prize: one Mayrose ham.

Sixth Event—Free for all race for men over 21 years. Prize: one Mayrose ham or one Italian ham.

Seventh Event—Running high jump, open to all. Prize: one 10 pound pail G. G. lard.

Eighth Event—Boys' shoe race. Prize: one Lunchon Specialty.

Ninth Event—Ladies' 50-yard dash, ladies over 18 years. Prize: one Mayrose ham.

WESTERN MEAT ITEMS
Mr. and Mrs. Pat J. Bowler and daughter, Patricia, returned Saturday from Camp Pistolet, near Tomales Bay, in Marin county. Pat reported a big catch of silver perch and a very enjoyable time.

Patricia Bowler, daughter of Mr. and Mrs. P. J. Bowler, is suffering from a cold.

ENTERPRISE TWILIGHT LEAGUE

Team	W.	L.	Pct.
Western Meat Co.	3	0	1.000
West. Pipe & Steel	2	1	.666
Enterprise Foundry	2	1	.666
Metal-Pacific	0	2	.000
Virden Packing Co.	0	2	.000
Am. Mar. & Mos.	0	1	.000

SCHEDULED GAMES

Metal & Thermit-Pacific Sheet Steel vs. American Marble & Mosaic Company, tonight.

Enterprise Foundry vs. American Marble & Mosaic Company, Monday, July 28.

Western Meat Company vs. Metal & Thermit-Pacific Sheet Steel, Tuesday, July 29.

Western Pipe & Steel vs. Virden Packing Company, Wednesday, July 30.

Parker, the negro catcher of the Western Meat Products team, contributes greatly to the spirit of his aggregation. Besides, Parker can hit 'em. Witness his four-ply swat in the third inning of the American Marble contest with two men on the paths.

Raddatz, in addition to allowing no hits, struck out 19 of the 22 batters who opposed him. In his first contest against Western Pipe & Steel he allowed but six bingles and whiffed four batters.

Raddatz clouted one of Ronchetti's shots for three bases in that hectic third inning.

Miller, second baser for the Western Pipes, gathered under his batting average a home run, a triple and a double in four trips to the plate in the game with the Enterprise Foundry Tuesday night.

Red Rowe clicked four bingles, among them a home run and a two-bagger. Figureado was close behind with three clouts, two of them doubles.

Bill Cullum, Western Meat butcher, umpired the Tuesday evening contest and while both teams decided Bill was honest each questioned his eyesight on several occasions. Cullum maintains he enjoyed the afternoon nevertheless.

Rudolph (which isn't all of his name, by the way) caught the last three innings against the Western Pipe team with a swollen wrist. He was able to gather two hits regardless of the crippled fin.

B. Dickie of the pipe works is setting quite an enviable record. In five official trips to the plate he has scored six runs.

Among the hitters in this league are Mr. Kelley, sometimes known as Kellenbecker, of the Western Meat Products. Against Virden, Kelley clouted two homes and two two-base hits in five trips to the plate. Not bad, not at all bad.

George Wallace, drafted into service by Virden, hit 1,000 for the day, garnering two bingles in two trips to the plate and scoring the lone run made by his team.

Frank Dominy continues to please as an umpire. Dominy may miss one occasionally but he never misses as many as any single batter does in the course of a game. More, he likes the work.

"Umps" Metzler has had his shift changed at the Metal & Thermit plant and will be able to officiate for a week or two.

Despite two straight wallpoppings Manager Fred C. Schmidt of the Virden team says his boys cannot be counted out of the running. Schmidt says that success will crown the efforts of his team in the next contest. He and his players are imbued with the "old fighting spirit." More power.

Breezes From Windfield

While the American Marble & Mosaic Company team went home in its first contest and lost by a big margin there is no gain-saying that it will bear watching. With a good chucker the Marble cutters will give every team in the circuit a tough time.

The season is ended. The players displayed more real team work than any other outfit in the league. Ronchetti, who pitched the first two and a half innings, was doing his first turn as a pitcher and he did exceedingly well for two frames. When suited to the short patch by Manager Rudolph he putted two pretty plays.

Parker, the negro catcher of the Western Meat Products team, contributes greatly to the spirit of his aggregation. Besides, Parker can hit 'em. Witness his four-ply swat in the third inning of the American Marble contest with two men on the paths.

Raddatz, in addition to allowing no hits, struck out 19 of the 22 batters who opposed him. In his first contest against Western Pipe & Steel he allowed but six bingles and whiffed four batters.

Raddatz clouted one of Ronchetti's shots for three bases in that hectic third inning.

Miller, second baser for the Western Pipes, gathered under his batting average a home run, a triple and a double in four trips to the plate in the game with the Enterprise Foundry Tuesday night.

Red Rowe clicked four bingles, among them a home run and a two-bagger. Figureado was close behind with three clouts, two of them doubles.

B. Dickie of the pipe works is setting quite an enviable record. In five official trips to the plate he has scored six runs.

Among the hitters in this league are Mr. Kelley, sometimes known as Kellenbecker, of the Western Meat Products. Against Virden, Kelley clouted two homes and two two-base hits in five trips to the plate. Not bad, not at all bad.

MEAT TEAMS MEET AND WESTERNS WIN, 30-1

Game Ends in Fifth Frame, After Welte's Men Insist on Clouting the Ball

"Who's playing?" one little boy asked another.

"They're all playing," the second little boy replied.

And, he was right. It was no contest. They were all playing but Western Meat Products played with more results than Virden Packing. Witness the score: Western Meat Products 30, Virden Packing Company 1.

Another fan summarized the contest thusly: "When Meat meets Meat—bologna."

Manager Fred Schmidt was a couple of players short at the time to start the game. He borrowed a couple from among the bystanders. Manager Joe Welte, of the Western Meat, had an abundance of material, including Herman Raddatz, who has been chucking sterling baseball.

The game ended in the last third of the first half of the first inning when the Western Meat team insisted on clouting the offerings of Ted Fischer, who had succeeded Ted Allen as slabster for Virden, to all corners of the open-fair lot.

There is no use recounting the story of the game. Needless to say the scorer went daffy in the second inning trying to keep track of the last moving base runners.

The umpires went silly in the third, watching the merry-go-round that was circling about them. And the small boys who root impartially at every contest of the Twilight league gave up the ghost and started playing marbles in the fourth inning after they had lost track of the score. Here it is:

Western Meat Products	AB	R	H	P	O	A	E

Boller, lf	5	3	3	1	0	0	0
Monize, 3b	4	1	2	0	0	0	0
Costa, 2b	1	1	0	0	0	0	0

Totals . . . 43 30 24 12 4 0
Summary: Home runs, Kelley 2; Raddatz, Welte. Three-base hits, Boller, Wallace, Costa. Two-base hits, Tognetti, Monize, Kelley 2; Welte, Boller 2. Stolen bases, Boller 1; Tognetti, Wallace. Double play, Costello to Wallace to Fischer. Struck out, by Allen 2, by Fischer 1, by Raddatz 6. Bases on balls, off Raddatz 2, off Allen 2, off Fischer 1. Hit by pitcher, Huntington by Fischer. Umpires, Dominy and Storek.

George Wallace, drafted into service by Virden, hit 1,000 for the day, garnering two bingles in two trips to the plate and scoring the lone run made by his team.

Frank Dominy continues to please as an umpire. Dominy may miss one occasionally but he never misses as many as any single batter does in the course of a game. More, he likes the work.

"Umps" Metzler has had his shift changed at the Metal & Thermit plant and will be able to officiate for a week or two.

Despite two straight wallpoppings Manager Fred C. Schmidt of the Virden team says his boys cannot be counted out of the running. Schmidt says that success will crown the efforts of his team in the next contest. He and his players are imbued with the "old fighting spirit." More power.

Miller, second baser for the Western Pipes, gathered under his batting average a home run, a triple and a double in four trips to the plate in the game with the Enterprise Foundry Tuesday night.

Red Rowe clicked four bingles, among them a home run and a two-bagger. Figureado was close behind with three clouts, two of them doubles.

Bill Cullum, Western Meat butcher, umpired the Tuesday evening contest and while both teams decided Bill was honest each questioned his eyesight on several occasions. Cullum maintains he enjoyed the afternoon nevertheless.

Rudolph (which isn't all of his name, by the way) caught the last three innings against the Western Pipe team with a swollen wrist. He was able to gather two hits regardless of the crippled fin.

B. Dickie of the pipe works is setting quite an enviable record. In five official trips to the plate he has scored six runs.

Pacific Car Wants to Find Another Team

And still they come. Pacific Car and Equipment has organized a baseball team and craves admittance to the Enterprise Twilight Baseball League. According to Manager Seebecker his team will be ready to meet the toughest within another week.

All that holds the Pacific Car back at present is the need for another team in the Industrial Zone. At present there are six teams in the League. Before the league can be expanded further at least two teams must enter.

Seebecker is anxious to see another plant in the Zone come forward with a team so that both outfits can get into the running.

DUCK-PIN TOURNAMENT TO CLOSE MONDAY

Mattie & Duffy have announced that their tourney to determine the South San Francisco champion at duck pins will close on Monday evening.

The tourney has been going on for the past month and 30 men qualified in the finals. Several of the qualifiers have not yet completed the six games in the final round. Regardless of whether these men finish or not the tournament will be declared closed on Sunday night and the title given to the man having the highest average score for the six games played in the final round.

In addition to the title the winner will receive a silver trophy cup awarded by Mattie and Duffy.

MEXICANS SENT TO COUNTY JAIL

Two Mexican residents of South San Francisco were sentenced to serve in the county jail by City Recorder E. E. Cunningham on Wednesday morning for being drunk and disorderly and disturbing the peace.

L. Negueria was given 25 days in the county jail while Reuben Lopez will serve 50 days. Both men are old offenders, according to the local police and each has spent a night or two in the local bastille for similar offenses.

INJURED AT STEEL PLANT

Alexander Mahoney was severely injured on Tuesday when a 1500 lb. piece of steel slipped from a carrier at the Pacific Sheet Metal Works and grazed his side as it fell. Mahoney was treated at the South San Francisco General Hospital.

PIPE PLAYERS KNOCK FOUNDRY OUT OF LEAD

Vargas' Warriors Make 24 Runs, While McMills Men Get Only 6

It is a sad, sad story. When the thing started it had all the appearances of a baseball game. The participants on each side numbered nine, they wore leather gloves, they played with a horseshoe covered ball, they used bats, they argued with the umpire and the thing was staged where other baseball games have been played. But, it was not a baseball game. Rather it was a murder sanctioned by 20 or so men and opposed by nine and one rooter. It was the slaughter of the hitherto unblemished record of the Enterprise Foundry nine.

The corner's inquest held immediately after the holocaust had finished was: That on Tuesday evening 17 murderous wallops from the bats of the Western Pipe & Steel players netting 24 runs had cast down the Enterprise Foundry from its place at the top of the league to an even footing with the pipe makers.

The score: Western Pipe & Steel Company 24, Enterprise Foundry 6.

For one inning things were on an even keel; each team scored four in the first.

In the second the Western Pipes chased over five. In the third they added six and in the fourth they added nine more.

But why go into the gory details? The plain facts of the case are that Manager Bill Vargas' warriors had their hitting logs on and "Red" Foraker, slabster for the Foundry team, couldn't keep them from their bingles. There are other extraordinary circumstances such as errors and whatnot but they are too painful to be set down here.

On the other hand, Al Vinther, chucker for the Western Pipes, allowed but five scattered bingles, maintained his control and otherwise disposed himself a la Walter Johnson.

Read the sad news here:

GUS SMITH TO BOX FEELEY AT S. MATEO TONIGHT

Gus Smith will get his long-sought-after crack at Eddie Feeley, the Palo Alto battler who carries such a kick in his right mitten, tonight at the Floral City Athletic Club in San Mateo.

Smith, a local boy, has been after Feeley for some time, and the men are finally matched by Promoter Johnny Elms. Feeley and Smith were both on the last card staged in San Mateo. Feeley, hit Willie West so hard in the first round he changed that young man's general sense of direction for several minutes. Smith picked a pompadour named George Kelsey, who did a nose dive a few seconds after the round opened, leaving Goose and the referee

FIGURING FROM THE MONEY STANDPOINT

You cannot afford to live elsewhere than near your work.

A penny saved is a penny earned. That is true of the dollar as well. Your first loss, if you commute, is a loss of time. Compute those lost minutes at the rate of pay you receive for your work and you register a substantial loss that you can never recover.

Compare the rent you are paying where you now live with rents in South San Francisco. You will doubtless register another loss.

Food prices compare favorably

with those in any peninsula city and in many cases they are lower. Surveys, carefully conducted, have proved that.

These things you can measure in dollars and cents.

Nearness to your work and to your home cannot be so measured. You never know when you will be needed in one place while you are at the other. When that need arises it is generally urgent.

Weigh all of these things carefully and then determine whether you are wise in living far from your work.

TRAP CAR SERVICE

San Francisco Paper Says This Service Should Be Given By All Railroads

Railroads have it in their power, in various ways, to help or retard the industrial growth of a city or district. The cornerstone of governmental regulation of these important utilities is, therefore, the principle of "no discrimination."

Before the State Railroad Commission, at the present time, is a suit filed by the San Francisco Chamber of Commerce, the success of which would mark another step in San Francisco's growth toward industrial supremacy. It is designed to place this city upon an equal basis, as to an important item of railroad service, with New York, Boston, Chicago, New Orleans, Baltimore and other seaports, as well as with a host of inland cities.

This is a suit to require the Southern Pacific and Santa Fe railroads to establish "trap-car service" to shippers in this city and in South San Francisco.

As it happens, these railroads in the dim past began to give such service to shippers along the eastern shore of the bay. San Francisco now asks that the entire Bay Region enjoy the same advantage.

"Trap-car service" is also known as "L. C. L." or "less-than-carload" service. It means, briefly, that a manufacturer or shipper whose plant adjoins a spur track can secure, for a flat sum, a car upon that spur track, even though the load he has to send is less in quantity than a full carload. The advantage is obvious; for in the common run of commerce, an overwhelming percentage of the shipments to nearby points—points, for instance, within the State of California—are in less than carload lots.

The Western Pacific, alone among the three roads now entering San Francisco, has established such service here. Under its tariffs, a shipper can secure a car for a shipment of not less than 6,000 pounds free. If the car happens to be loaded on a spur of the Southern Pacific or Santa Fe, the Western Pacific pays the switching charge. To extend such service uniformly to all local shippers would be obviously of benefit both to the railroads, to the shippers, and to this city itself.—S. F. Examiner.

TRUAX ASKED TO AID PREVENTION OF FOREST FIRES

Federal and State Foresters Ask That Talks Be Made at All Public Gatherings

A letter has been received by E. H. Truax, deputy state fire marshal, which contained an urgent request from the federal, as well as from the state, foresters, for co-operation in the present crisis of the fire situation in the California forests. It was suggested that the following talk could be made at all public meetings by a uniformed fireman:

"We earnestly request that people going into the forests or through the foothills, or driving along the highways, be most careful of fire, whether it be cigar, cigarette, matches, campfires, or otherwise. Most of the trouble has come from people building fires outside the national forests, but in brush or grass, the fires later extending into the national forests. Because of this, thousands upon thousands of acres covered with timber, that will not be replaced during the lifetime of any person now living, have been destroyed, and beside the burning of this timber our water supply will be materially affected. It behooves each and every good citizen of the state of California, not only to be careful but to talk to others, and when they see acts of carelessness committed these should be reported to the constituted authorities in order that society may be protected.

"California is faced with the greatest potential fire emergency in the history of the state. There have been to date 700 forest fires in California burning over an area of more than 100,000 acres. This is three times as many fires as the average encountered in former years up to July, and territory burned is four times the average acreage.

"The California Development Association, the State Chamber of Commerce, in co-operation with State Board of Forestry, has organized 10,000 civic leaders in the state under the name of 'State sure the last spark is dead.'

BASEBALL DIAMOND NEEDED

Interest in the American Sport Is at a High Tide in South San Francisco

That there is real healthy interest in baseball in this city and, therefore, a crying need for a real baseball diamond is attested by the fact that teams representing six factories in the industrial zone and embodying about twenty-five men each, including rooters, play baseball on three nights each week on a bumpy, wind-blown field on Butler road.

Interest is growing greater with each week of the Enterprise Twilight Baseball League schedule. Each team is out to scalp every other team in the circuit and the games are as hotly contested as baseball is on any diamond in the country.

The players are greatly handicapped by the lack of a good baseball field. The grounds in use at present are marked by ruts and bumps and unprotected from the winds.

That the players overlook these inconveniences because of their love for the sport is strong argument in favor of a municipally-owned baseball park.

At least four and possibly six more teams could be organized immediately if there were a good baseball field available.

Baseball players and fans are anxious that a real baseball lot be incorporated in one of the park or playground units planned by the city.

EXCELLENT PICNICKING SPOT

At the end of Butler road and a little to the left as you go toward the bay there is a little cove, well protected from the wind, that is used by perhaps two or three hundred persons each week as a picnicking and swimming place. At present the cove is used on sufferance of the property owners.

There are no conveniences there such as bathhouses and diving platforms but it is wonderfully well protected from the wind and has an abundance of beach and sand.

Those who use it are enthusiastic over its possibilities as a municipally-owned or controlled beach. They point out that more persons would go there on Sundays and holidays as well as week days if they knew about the place.

VIVIAN LEWIS HAS BIRTHDAY PARTY

Mr. and Mrs. Edgar Lewis entertained on Monday in honor of the seventh birthday of their daughter, Vivian.

Fourteen little friends enjoyed games of all sorts during the afternoon and at the close dainty refreshments were served.

The guests were Barbara and Leonard Hardy, Louise Sassman, Joannette and Miriam Nolan, Marion and Dolores Wright, Ruth Strenze, Jackie James, Harold Strenze, Francis and Helen Reichel.

Citizens' Committee" to cope with this fire emergency. It is the purpose of this state-wide emergency committee to make every effort to save to the state the millions of dollars directly involved in this threatening holocaust. The support of all citizens of the state is enlisted to prevent fires. Citizens traveling through forests and brush areas are especially urged to use the utmost diligence and care in fire suppression. I will enumerate the outstanding rules of caution every one traveling in the 34,000,000 acres of potential forest fire areas should bear in mind:

"1. MATCHES—Be sure your match is out. Break it in two before you throw it away.

"2. TOBACCO—Be sure that pipe ashes and cigar and cigarette stubs are dead before throwing them away. Never throw them into brush, leaves or needles.

"3. MAKING CAMP—Before building a fire, scrape all inflammable material from a spot five feet in diameter. Dig a hole in the center and in it build your camp fire. Keep the fire small. Never build a fire against trees, logs, or near brush.

"4. BREAKING CAMP—Never break camp until your fire is out—dead out.

"5. BRUSH BURNING—Never burn brush in windy weather or while there is the slightest danger of a fire getting away.

"6. HOW TO PUT OUT A CAMP FIRE—Stir the coals while drenching them with water. Turn small sticks and drench both sides; wet ground around the fire. If water cannot be had stir in dirt instead and tramp down until packed tight and tramp over and around the fire. Be sure the last spark is dead."

AGED MAN DIES AT RELIEF HOME

Patrick Drunn, Resident of South S. F. for 30 Years, Passes Away

Patrick Drunn, a resident of this city for 30 years, passed away at the San Mateo County Relief Home Monday.

Mr. Drunn was 75 years of age at the time of his death and until two years ago he made his home here where he was employed as a laborer. So far as can be learned he leaves no relatives. The body was brought to the chapel of S. Neiri & Company on Tuesday morning.

Funeral services were held on Wednesday morning at 9:30 o'clock in All Souls' Church. Interment was made in Holy Cross Cemetery.

AUTOMOBILE SKIDS, HITS POLE, WRECKED

Considerable damage was done but no personal injuries suffered when an Oldsmobile belonging to B. Fontana of Baden Crossing, skidded in the soft dirt on Oak avenue and crashed into a telephone pole on Sunday evening about 5 o'clock.

The right front wheel, frame and the left side of the machine were badly damaged by the impact. The machine was towed into the Reliance garage for repairs.

ESCAPE INJURIES WHEN AUTOS CRASH

Paul Astigian narrowly escaped serious injury when, on making a left turn onto the highway at the cemeteries from the South San Francisco road, he collided with a Stearns Knight automobile Sunday at midnight.

Astigian was driving his Chrysler, which was badly damaged. The occupant of one of the cars suffered slight scratches, but no serious damage to persons was recorded. The car was hauled into the Reliance garage for repairs.

PERSONAL ITEMS FROM COLMA

Mr. and Mrs. Huber, Misses Alice Huber and Eleanor Black of Hollywood are spending the week at the home of Mr. and Mrs. P. G. Kunze.

Mrs. Joseph Silicani is spending several days with Mrs. Jack Callan in Santa Cruz.

Mr. and Mrs. R. J. Levy, Messrs. Ben and Max Levy motored to San Jose recently.

Judge Ellis C. Johnson held court last Wednesday for the first time since his vacation.

Mr. and Mrs. James T. Casey will leave Thursday for Washington and New York, accompanied by Mr. and Mrs. J. Frank Barrett. During Mr. Casey's absence James, Jr., will be in charge of the real estate office on Mission road.

Miss Annie Callan is spending two weeks with relatives in San Jose.

Miss Rose Kennedy of Sacramento is spending several days with her cousin, Miss Sylvia Haubrich.

Mr. and Mrs. R. J. Levy and sons, Max and Ben Levy, spent last Sunday on the Russian river with friends.

Mrs. R. W. Haubrich, Miss Sylvia Haubrich, Bennie Haubrich and Stephen Fisher spent last Thursday at Capitola, Santa Cruz county.

Messrs. William Mowry, Henry Fuchs and Leo Graziani returned home last Saturday from a motor trip which lasted several weeks. They visited Oregon and Washington, viewing Crater Lake, the Oregon Caves, and other places of interest.

Mrs. Ellen Linden of San Francisco visited friends here last Saturday.

Mrs. Palmera Stambanoni, Misses Theresa Stambanoni and Libera Boetto visited Miss Dorothy Silicani in Los Gatos last Friday.

Robert Herringa spent last weekend at the Amaurie home in Oakland.

Mr. and Mrs. Herbert Castlen spent Monday with friends in Santa Cruz.

Mr. and Mrs. Joseph Altieri and Joseph, Jr., write from Stuparich Resort in Lake county to say that they are spending a most enjoyable vacation and made the entire trip in high in the 1925 Buick demonstrator.

Mr. and Mrs. Frank Beffa, Miss Vivian Beffa, and Francis Beffa motored down the peninsula to visit friends last Monday.

Miss Victorine Bertini is spending two weeks at the Dianda home in Half Moon Bay.

L. Boetto of Menlo Park spent last Friday evening with relatives here.

Mrs. Annie Bauer, Miss Rosa Bauer and Richard Bauer spent last Saturday evening with friends in San Francisco.

Nello Barsi left one day last week to visit relatives in Italy.

Mr. and Mrs. Earle Jones have returned home from Santa Cruz, where they spent the past week with Mrs. Jack Callan and family.

Mr. and Mrs. Edward Bauer, Mrs. Lena Homier, Misses Emily Bauer and Eva Homier, and Freddie Bauer spent last Sunday at Rockaway Beach.

Margaret Grady motored to Santa Cruz with friends recently.

A party was given at the Boicelli and Lavagnino ranch last Sunday in honor of Miss Ernesta Lavagnino. A delicious ravioli and chicken dinner was served on tables adorned with beautiful bouquets of flowers and ferns. Dancing and games were enjoyed by the merry crowd until a late hour. Some of those present were Mr. and Mrs. Joseph Lavagnino, Mr. and Mrs. F. W. Riches, Mr. and Mrs. J. Roore, Mr. and Mrs. L. Garibaldi, Mr. and Mrs. Leonard, Mr. and Mrs. Vincent Siri, Mr. and Mrs. Francesci, Mrs. R. Lavagnino, Mrs. Boicelli, Misses Lorraine Lavagnino, Estelle Roore, Theresa Del Amico, Joseph Delucchi, Angelo Boicelli, John Lavagnino, J. Batista, Gino Garibaldi, George Boicelli, Lorraine Benedetti, Frank Delucchi, Carlo Siri, John Leonard, Albert Del Amico, Andrew Garibaldi, John Lerney and Albert and Mide Leonard.

Ralph Riches has returned home from a vacation of several weeks which was spent in Petaluma.

Messrs. Leo Graziani, William Mowry and Henry Fuchs have returned on Sunday from a motoring trip through Northern California.

J. A. Benassini returned recently from his vacation spent at the Russian river.

Mrs. George Fuchs and children are spending their vacation at the Santa Cruz mountains.

Mrs. J. Franzola had visiting with her Sunday her sister from San Francisco.

Automatic telephones may soon be installed in large cities of Spain.

Your Plans For The Summer

Whether you plan to be gone a day or a month, it is best to play safe.

The safe deposit vault of this bank provides an ideal place for your silverware.

The prowling summer sneak thief would find few spoils if every family kept on hand only enough silver for current use and put the rest in our large vaults.

COASTSIDE TUNNEL PLAN FOSTERED BY CLUB

A complete and comprehensive report on the possibilities of the proposed coastside tunnel prepared by a committee of the San Mateo Burlingame Exchange Club, was submitted to Judge Walter M. Bird, president of the club, by his committee last Thursday. The report was prepared after the most careful study and investigation of the project by Gilbert D. Ferrell Jr., A. L. Offield and Edwin H. Warner, the committee named by Judge Bird to consider the matter following the talk of John L. DeBenedetti, delivered before the club a few weeks ago.

Three propositions were considered by the committee, which they designate in their report as "A," "B" and "C." Proposal "A" contemplates a tunnel to provide for automobile traffic only. Proposal "B" includes the automobile facilities offered in proposition "A" and in addition provides for a one-way trolley car track. Proposal "C" by the committee, provides for two lines of automobile traffic and a two-way electric car line as well. It contemplates a tunnel through the ridge at an elevation of 400 feet. The present road attains an elevation of 820 feet.

4000 Feet in Length
The proposed tunnel will be 4000 feet in length, with a clear width of 25 feet for an automobile road in each direction and a trolley car line in each direction in addition. The plans call for a sufficient height to clear a loaded truck thirteen feet high and provides for a concrete lining throughout the tunnel.

In addition to the tunnel the report of the committee recommends the construction of two miles of approaches and the total estimated cost of the project is given as follows:

Excavation and concrete lining	\$ 984,000
Roadbed	18,000
Ties	6,000
Tile drains	1,200
Lighting	2,000
Approaches, two miles	40,000

Total estimated cost, \$1,051,200

Bond Issue Recommended
The committee recommends that an issue of bonds be proposed to cover the cost of the improvement which will benefit the county as a whole, and is therefore a proper charge upon the county.

"That all other civic bodies of the county be asked to interest themselves in forwarding to a successful conclusion this program of county betterment."

"That a copy of this report be sent to the Honorable Board of Supervisors of San Mateo county, with the request that they give the matter of this improvement their careful consideration."

NOLAN ATTENDS DEALER MEETING

Enthusiasm and optimism characterized the largest assembly of Maxwell and Chrysler dealers ever held in Northern California when fifty-two representatives of these cars gathered in San Francisco last week for their annual convention. Ed Nolan of the Reliance Garage, local Chrysler and Maxwell agency, attended the session. The meeting, held at the establishment of George Campe, Inc., Northern California distributor, was featured by a message from Walter P. Chrysler outlining the aggressive sales and service program laid out by the Maxwell-Chrysler factories for the coming year. This message was delivered by J. L. Justice, district supervisor.

George Campe delivered a message of cheer to his dealers and various members of the Campe organization talked on sales and service problems, with a general interchanging of ideas. In an educational way members of the sales organization acted out the various steps of the sale of a car, first showing negative salesmanship and

STUDEBAKER LIGHT SIX IS GOOD VALUE

Buyers of automobiles nowadays are becoming more familiar with what really constitutes a good value, and with what really should be incorporated in a car in order to make it a good value, says Ed Braun, local salesman for Studebaker automobiles. He says:

More and more each year the continual changing of cars is becoming unpopular, and buyers are looking for the standard car that will be serviceable for many years of service, and will not be out of date or a back number, nor an experimental model which has always been so expensive to first buyers.

We find in our sales contracts that the most dominant impression in the buyers' mind are that Studebaker builds only one class of car, a quality product, and builds it to deliver to the customer a life of service second to none.

Furthermore, Studebaker has built, consistently, three six cylinder chassis for over four years, without a radical departure of any kind, and has established for Studebaker automobiles an enviable position in the used car market. These things are of prime importance to the person who is buying a new car. The light six Studebaker is the world's greatest motor car value. It is as finely built, of a high grade material and as fine workmanship, as cars costing many times its price.

It is built in the only factory in the world able to produce so good a car at so low a price. It is not slighted in any respect, in its manufacture. It is built under the most rigid inspection system in the motor world.

The result—a high grade, small, economical automobile, delivering uniform service to nearly 225,000 owners. A car with a higher proportionate used car value than any other car built. A car which, in its class, was the leader in design and six cylinder construction over four years ago, and which since that time, has had scores of imitators, but not one which has ever approached it in quality, sturdiness, or service.

DESSIN BROS. TO BUILD IN REDWOOD CITY

Marking one of the outstanding business developments in Redwood City in the past year, announcement was made recently of the purchase by Dessin Brothers, Burlingame automobile dealers, of Redwood City business sites, upon which they plan early construction of new and imposing buildings to

then the positive side of a sale. Carrying out of a service job from the time the car was brought in by the customer until the job was completed and delivered was also transacted with the idea of standardizing sales and service. The convention ended with a banquet at the Hotel Whitcomb and the signing of contracts for the coming season.

SAN BRUNO NEWS ITEMS

Mrs. Widell entertained on Sunday afternoon, at a dinner in honor of the birthday of her husband and her daughter, Lillian. Those who enjoyed her hospitality were, Mr. and Mrs. G. Garibaldi and children, Mr. and Mrs. G. Thompson, Mr. Stranberg and Harry Kraus, all of San Francisco; Mr. and Mrs. Betcher and family of San Mateo, Mr. Robinson of Burlingame, Mr. and Mrs. N. Drescher, Mr. Hall and Al Widell of San Bruno.

Last Thursday afternoon the Ladies' Aid Society of the Methodist Episcopal church gave Mrs. Cochran, president of the Aid, a farewell party. Mrs. Cochran recently sold her home here and will soon leave for the East. She was presented with a cut crystal chain as a parting gift.

Sunday the local baseball team played the Lindburg & Freese nine. So many of the local players were on the shelf from injuries that it was difficult to find enough men to fill out the positions. Ed Flynn pitched a good game but due to poor support he was beaten 11 to 5 by the visitors.

The firemen of San Bruno spent Sunday burning the grass of the empty lots. The Ladies' Auxiliary served them with a hot lunch at noon, consisting of hot roast beef, beans, pie and coffee. Before the day was finished a real fire developed when the grass along the Crystal Springs road caught fire. The blazing grass threatened for a time to get out of bounds due to a lack of water, but it was eventually extinguished.

William Holmes suffered severe bruises when he fell from a scaffolding while at work in San Francisco. The scaffold broke and he fell two stories to the ground.

G. W. Foraker and family are home from their tour across the country.

Miss Ellen Cooper returned last week from her visit in Richmond. She was accompanied by her small cousin, who will visit in Lomita Park for a short time.

Mr. and Mrs. Manna have rented the Ruel home near Huntington Park.

house not only their own auto sales rooms and machine shop, but store and office accommodations.

The property has a frontage on Main, Heller and Maple streets, being portions of three lots at a score corner where Main joins Heller. The purchase was made from E. Ted Thompson, the property being occupied by Chert's grocery, with Lambert & Walters, local realtors, negotiating the sale.

W. J. Dessin, salesman and member of the firm, stated that architects are working out plans for the improvement of a one-story frame structure on a portion of the property as well as for the building of an entire new fireproof structure. A choice as to the plans to be followed will be made in the near future, he said.

Mr. and Mrs. Wasits and their two sons, Jerome and Jackie, have returned from a vacation spent at Guerneville Park, on the Russian river.

Mrs. A. J. Penne and family motored to Santa Cruz to spend Sunday with Mr. Penne who is fast recuperating from his illness.

Miss Ethel Brubaker is visiting her cousin, Miss Marion Beverly here.

Mrs. Phillips of San Bruno avenue has leased Jack Holio's new house in the 3rd addition.

J. Mulhall of San Bruno Park is confined to his home by an attack of lumbago.

The Jenevein property is being considered as a site for the new city hall.

Mr. and Mrs. Hodges have sold their home in Lomita Park.

Neil Foster of Lomita Park is spending his vacation in Yosemite Valley.

Dr. Sommers, veterinary and one-time resident of San Bruno, will move back to his old residence here soon.

Mrs. Lindsey, her son, Paul, and three daughters, Althea, Sylvia and Elizabeth, have returned from Kenwood Springs.

Mr. and Mrs. Ragland and children of Ashland, Oregon, are visiting Mr. and Mrs. Sellick of Belle Air Park.

Mr. and Mrs. Hildebrand and Mr. and Mrs. McGuire and children left Sunday for the Russian river.

Mr. and Mrs. Osmer are planning a trip to Clear Lake.

Mr. and Mrs. Barnette have returned from a vacation trip into Mendocino county.

Mr. and Mrs. Ross Manseau have leased the "White House" for three months and are staying in Redwood City.

Mr. and Mrs. Cunningham and family left recently for Santa Cruz to spend their vacation. They were accompanied by Miss Marjorie Hallett.

No Profit Guaranteed

POWER companies in California do not fix their own rates.

Rates are fixed by the public through their well informed agents, the Railroad Commission, which also requires continuous, uniform, efficient service.

The public gets power and gas at cost, which includes cost of material, cost of labor, a fair return on the reasonable cost of the property used (out of which interest is paid), and taxes.

Cost does not include improvident or unnecessary expenditures, or any expenditure of which the public does not get the benefit. *No profits are guaranteed* in rates. Success depends on efficient, economical management.

Service at cost does not mean service without cost.

COLONIA ITALIANA

[With English Translation]

CONIUGI SCAMPINI IN VIAGGIO PER UN BREVE SOGGIORNO IN ITALIA

Gia' su queste colonne annunziamo la gita di piacere che il Sig. Enrico Scampini, l'ingegnere proprietario del Poppy Candy Store e del corner cigar stand, nonché et Consigliere Municipale di questa bella cittadina, sta compiendo in compagnia della sua gentil Signora.

Dopo una lunga permanenza di circa 23 anni in queste terre straniere, il nostro caro connazionale ha risentito la nostalgia del vecchio paese natio ed il desiderio di rivedere i vecchi genitori.

I coniugi Scampini, coronati da felice successo durante la loro permanenza in questi paesi, sono anche genitori di tre bravi ed intraprendenti giovanotti che gia' sono sulla via per la conquista di nuovi e piu' grandi progredimenti.

Come a tutti e' noto, in queste occasioni d'usanza celebrare il lieto evento con una festiciola familiare, con invito esiguo ai parenti ed amici piu' intimi i quali accorrono a portare gli auguri di buon viaggio, felice soggiorno e lieto ritorno.

Domenica sera 20 c. m. ebbe luogo alla residenza del Sig. Scampini al 446 Baden avenue, il banchetto d'addio al quale non manco' niente di tutto quello che la cucina italiana sa mettere sulla mensa.

Dato le circostanze dei felici avvenimenti nella famiglia Scampini, questa bella festiciola fu promossa con lo scopo di celebrare tre avvenimenti della massima importanza e che orgogliosamente guardano genitore che gli preme la perpetuazione del suo nome. Il primo ed il piu' cospicuo dei motivi fu il festeggiamento delle nozze del figlio maggiore Ermenegildo con la gentil Signorina Giuseppe Pizzi di Alameda, che furono celebrate nella settimana scorsa. L'altro, in onore al figliuolo Angelo, il quale come tutti sanno, recentemente fu coronato da immenso successo agli esami di avvocatura all'Universita' di California a Berkeley. Ed infine, per celebrare la partenza per l'Italia, dei felici genitori.

Al Desert albergo luogo i soliti discorsi d'occasione ed il nostro benemerito connazionale fu onorato con uno splendido ciondolo per catena e con una magnifica macchina fotografica. Il Sig. Scampini nel ringraziare i convitati ebbe parole d'incantamento al rispetto alla nazione sotto cui viviamo senza il dover dimenticare la vecchia patria ove noi tutti abbiamo lasciato qual anno dei nostri piu' cari.

Dopo il banchetto ebbero luogo le danze si prolungarono fino alla prima ora del mattino.

Fra gli invitati notammo i seguenti:
Sig. e Sig. ra Enrico Scampino—Sig. e Sig. ra Ermenegildo Scampini—Sig. ra Angelo e Pietro Scampini—Sig. ra Valentine Fawcett—Sig. S. Sig. ra Alessandro Scampini—Sig. A. Scampini—Sig. e Sig. ra Rodolfo Forno—Sig. e Sig. ra Carlo Garbino—Sig. e Sig. ra Harry C. Garbino—Sig. e Sig. ra Enrico Rossetti—Sig. ra Roberta e Giuseppe Ferrarri—Sig. e Sig. ra Giovanni Zanoni—Sig. e Sig. ra Cattaneo—Sig. Guido Granero—Sig. e Sig. ra Carlo Menconi e famiglia—Sig. ra Ginzi di Alameda e famiglia—Sig. Giovanni Brussa di Bayview, S. F.—Sig. ra Guendolina M. Mariani e famiglia e tanti altri dei quali ci sfuggì il nome.

ADUNANZA DI CONSIGLIERI COMUNALI
Con solament 3 membri dei 5 consiglieri della citta' presenti, senza lo scrivano della citta' Daniel Mcweeney che si trova in vacanza, una piccola sessione su affari cittadini venne tenuta dai consiglieri Lunedi scorso nella sala del consiglio nel palazzo della citta'. Fra tante comunicazioni ricevute venne approvata quella dell'avvocato della citta' John F. Davis che chiedeva l'avanzamento

del salario di \$175. Lui fece notare che l'istallazione di nuovi sistemi di account richiede estensivi lavori nei vari dipartimenti dell'amministrazione della citta'.

Il Signor N. Black della United Railways Company, rispose alla lettera inviata dai consiglieri e dal l'avvocato della citta', dicendo che viaggiando da South San Francisco via tramway non garantiva l'istallazione d'un servizio regolare. Lui disse di piu', che l'istallazione delle facilità di fermata in San Francisco non permetterebbe per il presente questa innovazione.

MEETING OF TRUSTEES
With but three of the five members of the city board of trustees present and City Clerk Daniel McSweeney absent on his vacation a short session of city business was held Monday night in the council rooms of the city hall.

Among the communications received was one from City Attorney John F. Davis requesting an advance in salary to \$175. The latter pointed out that new duties caused by the installation of accounting systems in several departments of the city administration made the work of the official a little more difficult than formerly. The request was granted.

Charles N. Black of the United Railways Company, replying to the request of the city trustees through the city attorney, wrote that travel from South San Francisco via the electric cars did not warrant the installation of through car service. He said terminal facilities in San Francisco did not permit of such an innovation at this time.

G. Bertoldi di Reno, Nev., spent Sunday visiting with Mr. and Mrs. Charles Guidi.

Mrs. L. Cotelli and son, Frank, and Miss Louise Arici spent several days this week visiting relatives at Santa Rosa.

Messrs. P. Gianuario, A. Pontiglio and A. Cerri of the Golden Eagle Hotel have purchased a new Chevrolet truck.

Miss Lena Maccario of Santa Rosa is visiting Miss Catherine Terragno.

UDIENZA A RIGUARDO DELL'ORANGE AVENUE

L'avvocato della citta' John F. Davis rapporto che durante il mese di Agosto prossimo una conferenza sull'estensione della Orange avenue sara' tenuta dalla commissione delle ferrovie.

L'ingegnere della citta' George Kneese ha proposto che la via sia formata.

ORANGE AVENUE HEARING
City Attorney John F. Davis has reported that the matter of the Orange avenue extension would be brought to a hearing of the railroad commission sometime in August. City Engineer George Kneese has the proposed road staked.

MATRIMONIO DELLA SIGNORINA SANI
La Signorina Emily Sani, la popolare giovanetta di South San Francisco, figlia dei Signori A. Sani della Baden avenue, divenne Domenica scorsa la sposa del Signor James Bertoldi, di Santa Rosa. Le cerimonie religiose vennero officiate dal Molto Reverendo Padre James Moran alle 11 di mattina nella chiesa delle All Souls.

Dopo le cerimonie, venne servito un sontuoso pranzo dai coniugi della sposa dove parteciparono piu' di settantacinque persone fra parenti, amici, e conoscenti.

La damicella d'onore della sposa fu la Signorina Josephine Bianchi, ed il paggio d'onore della sposa fu il fratello della sposa Signor Adolph Sani. La giovane coppia parti domenica stessa per un viaggio di nozze a Los Angeles.

MISS EMILY SANI WEDS
Miss Emily Sani, a popular young woman of South San Francisco, the daughter of Mr. and Mrs. A. Sani of Baden avenue, became the bride of James Bertoldi of Santa Rosa, at a pretty wedding ceremony Sunday morning at 11 o'clock. The marriage rites were read by the Reverend Father James Moran in All Souls' Catholic Church.

Following the wedding a dinner was served in the Sani home at which about 75 relatives and friends of the young couple were present.

The groom was attended by Adolph Sani, brother of the bride, while Miss Josephine Bianchi was bridesmaid.

The young couple left Sunday evening for Los Angeles on their wedding trip.

NOTICE OF SALE OF REAL ESTATE AT PRIVATE SALE
In the Superior Court of the State of California in and for the County of Alameda.

In the matter of the guardianship of the person and estate of JUNE FLORINE ENOS, formerly CHARLOTTE FLORENCE KIRSCH, a minor, No. 2218-Dep. A.

NOTICE OF SALE OF REAL ESTATE AT PRIVATE SALE
Notice is hereby given that under and by virtue of the provisions of Section 1793 of the Code of Civil Procedure of the State of California, the undersigned, JUNE FLORINE ENOS, guardian of the person and estate of June Florine Enos, formerly Charlotte Florine Kirsch, a minor, will sell at private sale on or after the 21st day of August, 1924, at 10 o'clock in the forenoon of said day, to the highest bidder therefor, upon the terms and conditions hereinafter mentioned, subject to confirmation by the above entitled Superior Court, all of the right, title, interest and estate of the above named minor in and to the real property hereinafter described:

All that certain parcel of land situate in Daly City, San Mateo County, State of California, to-wit: Lot Numbered Three (3) in Block Numbered 177, as per Map of the Crocker Estate, Tract Subdivision No. 1, recorded in the office of the County Recorder of San Mateo County on June 1, 1908, in Map Book 6, Page 16.

Terms and conditions of sale: Cash in lawful money of the United States of America, ten (10) per cent of the purchase price to be paid at the time of sale, and the balance upon confirmation of sale by said Superior Court.

All bids and offers for the purchase of said real property or any part or parcel thereof, must be in writing, and may be delivered to the undersigned guardian at the office of her attorney, A. J. Woolsey, Esq., 303 Easton Building, Oakland, California, or delivered to the said guardian personally, or may be filed in the office of the Clerk of the above named Court, at any time after the first publication of this notice and before the making of the sale.

Dated: July 17th, 1924.
JUNE ENOS,
Guardian of the person and estate of June Florine Enos, formerly Charlotte Florine Kirsch, a minor.
A. J. WOOLSEY, Esq.,
303 Easton Building,
Oakland, California,

"Nature's Gift to San Francisco and the Peninsula"—
La Honda Canyon

Why spend most of your vacation getting somewhere and back? How many know that at the end of a short drive, or trip, which cannot be excelled for scenic beauty, over good roads, lies a true paradise adapted to a long or short vacation?

Several most beautiful camping grounds, equipped with all modern conveniences, under stately redwoods and beside live, all-the-year streams, have been provided for those equipped for camping, and there are numerous inns to fit every purse and taste. La Honda canyon possesses the most beautiful building sites for those desiring their own summer homes available within such short distance of the business centers. Quarters for extra guests and meals are available at nearby inns for those who don't enjoy cooking for a crowd.

Turn over the Woodside road at Redwood Five Points and follow the signs, or leave S. P. trains or Peninsula Buses at Redwood City and take the comfortable, well driven stage. Paved roads all the way.

Own Your Home

Pay Your Rent And Have It Too

ALL the advantages of a high-class rented home are yours at much less than the cost of rental. And should you care to build you may have many improvements not found in the average rented house or apartment.

Added thereto is the sense of ownership, that proud feeling of being the possessor of one's own home. Then there is the secure feeling that your roof cannot be taken from over you, your home will not be sold, rents increased or lease terminated without your consent.

Your best opportunity to Own Your Own Home is to see one of the firms listed below, today. No obligation to you.
